EDUCATION

R.T.U. KOTA, RAJASTHAN

BACHELOR OF TECHNOLOGY
Graduate on July 2023 | Jaipur
Major: Computer Science
Percentage: 85.7 out of 100

B.S.E.B. PATNA, BIHAR

12TH GRADE
Grad. March 2019 | Muzaffarpur
Percentage: 74.2 out of 100

I.C.S.E. NEW DELHI

10TH GRADE
Grad. May 2016 | Muzaffarpur
Percentage: 71.8 out of 100

TECHNICAL SKILLS

Languages:

Python | SQL

Web Development:

HTML | CSS | JavaScript | React.js
| Node.js | Express.js | MongoDB

CS Subjects:

OOPs | DBMS

TOOLS

- Visual Studio Code
- GitHub

EXTRA SKILLS

- Team Work
- Communication Skills
- Hard Working

ACHIEVEMENTS

- **HACKERRANK** : 5 star rating in PYTHON
- **HACKERRANK** : 4 star rating in C++
- **HACKERRANK** : 4 star rating in SQL

EXPERIENCE

WebnMobapps Solutions Pvt. Ltd. || NodeJs Developer || June 2024 – Present

- Focused on implementing scalable backend solutions using Node.js. Developed RESTful APIs to facilitate seamless communication between frontend and backend systems. Implemented authentication mechanisms (e.g., JWT) and optimized database interactions for improved performance. Collaborated closely with frontend developers and ensured code quality through automated testing and reviews.

PERSONAL PROJECTS

Secure Node.js CRUD Application with Authentication [Source Code]

- **Project Summary** : Developed a Node.js backend application with MongoDB integration for a secure CRUD system. Implemented JWT authentication, bcrypt for password hashing and Nodemailer for email verification. Managed user data and file uploads/deletions, ensuring robust functionality and security features.
- **Tech Used** : Node.js , Express.js , MongoDB , JWT , Passport , Bcrypt, Nodemailer , Multer

E-commerce Responsive Website [Source Code]

- **Project Summary** :: Developed a user-friendly E-commerce platform focused on enhancing the shopping experience. Prioritized seamless product browsing, selection, and checkout processes to drive customer satisfaction and sales growth.
- **Tech Used** : HTML, CSS, JavaScript and React.js

INDUSTRIAL TRAINING

Grras Solutions Pvt. LTD | Jaipur

1. Power Programming Using Python | [LINK](#)
Oct 2021 – Dec 2021
2. Data Science | [LINK](#)
Feb 2021 – Apr 2021

CERTIFICATIONS

- **Coursera**: HTML , CSS , JavaScript
- **Infosys Springboard**: Python
- **Udemy** : Python
- **CLA**: Programming Essential in C
- **Communication and soft-skill** : TCS-ion
